Dear Christian Ampuero:

I am writing in response to your inquiry regarding a listing of all air permitted sites in Region 2 that are located on tribal lands, both active and inactive. The following facilities are the only facilities we have on record that meet your criteria.

- Philadelphia Furniture—Salamanca, NY (had a federal title V permit)—now shut down.
- Turning Stone Casino and Resort, Verona, NY—active federal title V permit.

I hope this assists you in your endeavor.

Sincerely,

Ronald Lockwood
